Siena Gripping Primer is a ready to use, multipurpose bonding primer with suspended aggregate that creates an exceptional mechanical bond to smooth and non-porous surfaces. It is specially formulated to be used under highly polymer-modified mortars such as Siena M200, M225, M300, M375, or M400, or to enhance bond of self-leveling underlayments such as Siena Self-Level SLU or SL20. Siena Gripping Primer is an easy to use, low VOC, one coat bonding primer.

**FEATURES**
- **Ready to Use**
- **Multipurpose Bonding Primer**
- **Exceptional Mechanical Bond**
- **Easy to Install**

**BENEFITS**
- **Just Mix and Apply**
- **For Tile Over Tile Installs, and as a Self-Level Primer**
- **Bonds to Many Types of Substrates**
- **Apply with Roller or Brush**

**BASIC USES**
Siena Gripping Primer is formulated to be used with highly polymer modified mortars such as Siena M200, M225, M300, M375, or M400, and self-leveling underlayments such as Siena Self-Level SLU or SL20 for interior residential, interior commercial, and exterior residential applications.

**RECOMMENDED SUBSTRATES**
Ceramic tile, natural stone, cementitious surfaces, porous tile, brick, stone, and slate, epoxy coating, VCT, exterior grade plywood, gypsum substrates, rigid fiberglass, laminates, well bonded old cutback adhesive, and stone tile backed with epoxy resin.

**SURFACE PREPARATION**
All surfaces must be solid, stable, structurally sound and free of movement, dry and clean. The surface must be free of debris, dirt and dust, efflorescence, grease, wax, oils, curing agents, cleaning solutions or any other contaminants that interfere with the primer.

**MIXING**
Mix thoroughly before use to eliminate potential settling, which may occur over time.
APPLICATION
Mix thoroughly before use to eliminate potential settling, which may occur over time. Apply a thin coat with a 3/8” nap roller or paint brush, ensure surface receives complete coverage. Avoid any puddling.

CLEANING
Clean with water immediately after use.

TECHNICAL ASSISTANCE
Technical information is available on our web site at: SienaProducts.com, by contacting Omega Products International at: 951.737.7447, or by email at: info@omega-products.com

LIMITATIONS
DO NOT apply product when the ambient and surface temperature is below 50°F (10°C) or above 95°F (35°C). Material not applied at the recommended temperatures may suffer irreparable damage. All freshly applied material must be protected from inclement weather until fully dry. DO NOT add any other materials to the mixture of the product without written approval from Omega Products International. DO NOT deviate in the mixing or application procedures contained in this, or any other Omega Product Data Sheets, without written approval from Omega Products International. DO NOT apply Primer if there are contaminants on the receiving surface. Contaminates may include, but are not limited to, dust, debris, curing agents, and/or oils. DO NOT dilute. DO NOT use for exterior commercial applications. DO NOT allow primer to freeze. DO NOT expose to prolong water immersion. DO NOT install over sealed Saltillo tile.

SAFETY
Avoid contact with eyes or prolonged contact with skin. Wash thoroughly after handling. In case of eye contact, flush immediately with running water for at least 15 minutes. Consult a physician immediately. Do not take internally. Be sure to provide adequate ventilation in enclosed areas. Use of an approved respirator is recommended.

WARNING
Omega Products International as a blender of processed material in the State of California, is required by Proposition 65 to warn that one or more of the components contained in this product, could contain chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. The State of California (Proposition 65) requires this warning in the absence of definitive testing to prove that the defined risks do not exist. We believe this product complies with all other applicable state and federal laws and regulations governing manufacturing, distribution and intended use. User is solely responsible for the legal disposal of this container and its contents.
